

Applying online is faster and easier

You can apply for a Medicare Entitlement Statement (MES) using your myGov account. For more information, go to servicessaustralia.gov.au/medicareentitlement

If you cannot go online or are a tax agent, use this form.

When to use this form

Use this form to ask for a MES if you are not eligible for Medicare and want to claim the Medicare levy exemption.

If you were not eligible for Medicare, you might be exempt from paying the Medicare levy in your tax return.

A MES tells you the period during a financial year that you were not eligible for Medicare.

For the purpose of this form, the applicant is the person who is **applying** for the Medicare Entitlement Statement.

Persons not eligible for Medicare

You can get a statement if you were not eligible for Medicare for all or part of a financial year.

Before you apply for a statement, check that you were not eligible for Medicare. Even if you do not have a Medicare card, you may still have been eligible.

If you were eligible for Medicare for the whole financial year you cannot get a statement.

You may get a statement if you were either:

- an Australian permanent resident and lived outside Australia for 12 months or more
- a temporary visa holder and you had not applied for permanent residence, excluding Skilled Work Regional visa and Skilled Employer Sponsored Regional visa holders
- a temporary visa holder, and you are not eligible for Medicare under a Reciprocal Health Care Agreement
- a New Zealand citizen who spent less than 6 months in Australia within a 12 month period
- an Australian citizen living overseas for 5 years or more.

For more information, go to

servicessaustralia.gov.au/medicareentitlement

How to apply for a Medicare levy exemption

- You must get a new statement each year you claim a Medicare levy exemption. Just because you claimed the exemption before, does not mean you will get it every year.
- We will process your application. It may take up to 6 weeks to process your application if you apply between July and November. This is because we get a lot of applications at that time.
- We will write to you if we do not approve your application or need more information.
- If we approve your application, we will send your statement to the address you tell us in the form.
- You will need to tell the Australian Taxation Office (ATO) you have a MES when you do your income tax return. You need your

statement before you can start. Keep the statement for your records.

- The ATO will decide if you need to pay the Medicare levy.
- A person should only apply for a MES for a **previous** financial year. A person should not apply for a MES for the current financial year unless they are leaving Australia and will be submitting a final income tax return before the end of the financial year.
- If a tax agent prepares the application, the tax agent must complete the tax agent details in this application form.
